Lyman Introduces New Tools for Case Preparation

For Release: Immediately
January 2010

Lyman Adds A Universal Case Prep Tool Set, Plus Other New Tools Featuring A New Handle Design

Lyman – a leader in reloading case preparation – has added 3 new items to their respected line of case preparation tools. All the products being introduced feature Lyman's fatigue-fighting, "SureGrip™" handle design molded with rubber gripping panels for greater comfort and control.

The new "Universal Case Prep Tool Set" delivers all the items necessary for quality case preparation in one deluxe set. All tools feature Lyman's new "SureGrip" handles and the set includes both large and small primer pocket reamers, primer pocket cleaners, outside deburring tool, inside (VLD) chamfer tool and large and small primer pocket uniforming tools. The complete set comes in a custom zippered case for storage or easy transport to the range. In addition, the set offers a savings of 40% over individual purchases.

A new "Outside Chamfer Tool" is also offered. Featuring Lyman's new "SureGrip" handle the tool removes burrs and sharp edges from the outside of the mouth of trimmed cases. The tool is designed to leave a smooth even finish on cartridges from .17 - .45 caliber and is the perfect complement for Lyman's VLD (Very Low Drag) Inside Chamfer Tool.

Lyman's new "Magnum Inertia Bullet Puller" also features the upgrade to a specially designed, full size "SureGrip" handle. Safely strips bullets and powder from loaded rounds in seconds with no damage to bullet or case. The newly engineered head design allows use on full range of calibers from tiny 5.7 X 28FN to the largest Magnums. The new "SureGrip" handle insures a comfortable and secure grip regardless of the number of rounds being disassembled.

The new "Universal Case Prep Tool Set", "Outside Chamfer Tool" and "Magnum Bullet Puller", as well as all Lyman products, are available nationally through firearms and sporting goods dealers and mail order companies. Pachmayr, TacStar, Trius Traps, A-Zoom Precision Snap Caps, Butch's Gun Care, Uni-Dot and Targdots are also Lyman brands.
