**New, Lyman Fiber Optic Muzzleloader Hunting Sights fit
Lyman and many other Black Powder Rifles.**

Lyman Products - a pioneer and leader in gun sight technology - is offering a new set of fiber optic hunting sights for Lyman and many other muzzleloading rifles. Black powder hunters can update their rifles with state-of-the-art fiber optic technology. These bright new light-gathering sights let hunters take advantage of every minute in the field. They are especially helpful during the very productive dawn and dusk periods when game is most active

Designed to fit the Lyman Great Plains, Trade and Deerstalker Rifles, these state-of-the-art sights will also fit most other European-made black powder rifles, including Cabela's Hawken. Lyman's new Fiber Optic Muzzleloader Sights, as well as all Lyman products and brands, are available nationally through gunsmiths, firearms and sporting goods retailers and mail order companies. Pachmayr, TacStar, Trius Traps, Butch's are all Lyman Brands.
