Lyman Introduces New Value Added Case Prep Kit

For Release: Immediately
January 2011

New Trimmer Plus™ Case Conditioning Kit from Lyman Delivers Case Trimming And Prep In One Complete Package

Lyman – a leader in the field of case preparation and reloading products – has introduced the most complete case trimming and prep system yet. The Trimmer Plus is the perfect addition to Lyman's new Master Reloading Kit or any other starter reloading set-up. Lyman's Universal Trimmer with Multi-Pack is the fastest and easiest tool for trimming cases, but the "Plus" comes from the extra items to make each trimmed case perfect. A Universal decapping die to get any brass ready for trimming. The Universal Trimmer and multi-pilot pack trim all of the most popular calibers as simply as just changing pilots.

Once the brass is precisely trimmed, the included primer pocket reamers and cleaners get cases ready for priming while the deburring tool readies the case mouth for smooth bullet seating. The case cleaner solution cleans the brass and

the spray lube preps the brass for sizing. A 50 round loading block holds the sized brass ready for powder and bullets. This complete kit includes:

- Universal Trimmer with Expanded Pilot Multi-pack
- Case Cleaner
- Primer Pocket Cleaner (Large & Small)
- Primer Pocket Reamer (Large & Small)
- 50 Round Loading Block
- Case Lube Spray
- Inside/Outside Deburring Tool
- Universal Decapping Die

The Lyman Trimmer Plus Case Conditioning Kit, as well as all Lyman products and brands, is available nationally through firearms and sporting goods dealers and mail order companies. Pachmayr, TacStar, Trius Traps, A-Zoom Precision Snap Caps, Butch's Gun Care, Uni-Dot and Targdots are also Lyman brands.

Trimmer Plus Case Conditioning Kit (#7862112) \$166.50
