

Trius TruSpin Arm - launches target by the throwing ring, not outer edge, for faster spin, greater distance, less breakage!

THROW & SHOOT TARGETS BY YOURSELF!

The TRIUS 1-Step™

*Another Unique Trius® Original
One easy step cocks & releases target, almost effortlessly.*

One person can throw and shoot! The newest member of the TRIUS line, the One Step has become a very popular seller, whether you enjoy shooting alone or with a group. The TRIUS One Step is almost effortless to use. Arm is set and targets are placed on arm without tension. Step on pedal to put tension on the arm and release targets in one motion. Aluminum arm plus oil impregnated bushings deliver years of trouble-free shooting. Throw regulation singles plus piggyback doubles. High Angle Target Clip Included! Large knobs for adjusting tension and vertical angle make the TRIUS One Step trap fully adjustable without tools.

92S The Original TRIUS® Trap

Built for the more Serious Shooter!

For 50 years the Original Trius Trap has been the trap that others have been judged by. The trap can be adjusted to throw beyond regulation distance. In addition, it throws doubles including piggyback doubles. Held in place with foot or mounted to a tire (bolt furnished), the trap features a High Angle Target Retainer for those challenging high angle targets. Large adjustment knobs make the TRIUS trap fully adjustable without tools.

TRIUS Birdshooter 2™

TRIUS Quality but Priced for the Occasional Shooter!

The TRIUS Birdshooter has many of the fine features of our original foot trap but priced for the occasional shooter. Don't let the low price fool you, this trap has TRIUS quality and performance. A bit lighter weight than the "original TRIUS Trap," this trap will out perform other traps in its price range. Regulation singles and piggyback doubles make this an excellent choice for the beginner and/or experienced shooter. Can be held with foot or tire mount (bolt furnished). Aluminum arm plus oil impregnated bushings give years of trouble-free shooting. A High Angle Target Retainer is included for adding variety to your shooting. Fully adjustable without tools.

TRIUS TrapMaster 2™

Cock...Pivot...Throw...

Combining the value of the Birdshooter 2 with the comfort and convenience of the original sit-down TrapMaster, the new TrapMaster 2 makes a day of throwing targets a pleasure! The pivoting action adds variety and the element of surprise to keep the shooter sharp! The operator's weight firmly anchors the TrapMaster 2. The easy cocking "TRIUS Trap" delivers competition level performance by throwing challenging regulation targets. A High Angle Target Retainer is also included. Large knobs make the TrapMaster completely adjustable without tools.
