#### 4.1 Description of First Aid Measures

**Eye:** If contact with dust occurs, rinse thoroughly with water. Get medical attention if irritation occurs and persists.

**Skin:** No first aid should be needed. If irritation occurs, wash contact area with soap and water. Get medical attention if irritation or symptoms of exposure develop.

**Inhalation:** No first aid should be needed. If irritation from dust occurs and persists, get medical attention.

**Ingestion:** No harmful effects are expected. If symptoms occur, get medical attention.

**4.2 Most Important symptoms and effects, both acute and delayed:** If dust is generated, it may cause slight mechanical eye and skin irritation, and respiratory irritation. Symptoms would include itching eyes and skin, cough, and nasal congestion.

**4.3 Indication of any immediate medical attention and special treatment needed:** Immediate first aid should not be needed.

### SECTION 5: FIRE AND EXPLOSION DATA

### SECTION 6: ACCIDENTAL RELEASE MEASURES

**6.1 Personal Precautions, Protective Equipment and Emergency Procedures:**

Avoid dust cloud formation and inhalation of dust. Seek to ensure ventilation that maintains airborne concentrations below occupational exposure limits. Keep unprotected persons away. Although the substance has no or very low acute toxicity hazard, it is advised to avoid contact with skin, eyes, and clothing; wear suitable protective equipment when needed.

**6.2 Environmental Precautions:**

Avoid release to the environment. Report spills and releases as required to appropriate authorities.

**6.3 Methods and Material for Containment and Cleaning Up:**

Avoid formation and inhalation of dust. Use an appropriate industrial vacuum cleaner. Collect spilled material in suitable containers for recovery or disposal. In the case of disposal, spilled material or contaminated material should be disposed of as waste as described in Section 13.

**6.4 Reference to Other Sections:** Refer to Section 8 for personal protective equipment and Section 13 for disposal information.
